It is easy to read, well marked, and a joy to study. I intend to use it this Lenten season near Easter when I follow along with my Karl Richter cassette set with Janet Baker and the rest of the stellar cast of world-class singers. I am really looking forward to this fantastic experience, and the beautiful vocal score will be a big part of my enjoyment. 1 of 1 people found the following review helpful. An attractive and clear bilingual score By DFB Orlando This is a much more attractive score than the Schirmer edition. It provides a good English translation with an introduction and notes by Neil Jenkins, with his new translation of the German text. There are several English translations, and some are less satisfactory than others. 1 of 1 people found the following review helpful. Five Stars By Joan M. Gebhardt Everything I wanted! Thank you!

Piano/vocal score for Bach's St. Matthew Passion. One of two surviving Passions written by Bach, the St. Matthew Passion sets chapters 26 and 27 of the Gospel of Matthew to music. It is widely regarded as one of the great masterpieces of sacred music. Like all Polonium editions, this score is printed on ultra-smooth, heavy, cream-colored paper. Musicians will delight in the spiral binding, which allows the score to lie flat when opened to any page. - 166
