Patricia A. Thompson, Betty Maloney : The Mah Jong Player's Companion before purchasing it in order to gage whether or not it would be worth my time, and all praised The Mah Jong Player's Companion:

Since the arrival on the market of Patricia Thompson and Betty Maloney's two previous books, THE GAME OF MAH JONG ILLUSTRATED and IMPROVE YOU MAH JONG, a wide range of hands from many parts of the world has been sent to them. In this player's companion the authors have put together a cross-filled reference guide where over 120 hands, illustrated in colour, can be quickly identified by following the flip-top headings on each page. A full synopsis of each hand is included. The extra hands give an international flavour to the book, adding new interest and challenges.
