Albert Dormer, Ron Klinger : The New Complete Book of Bridge (Master Bridge Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised The New Complete Book of Bridge (Master Bridge Series):

0 of 1 people found the following review helpful. Five StarsBy Matt McCabevery good

No other bridge book covers bidding and play in such comprehensive detail. Written by two of the leading names in bridge, this is a must for anyone with aspirations to become a good player.

For anyone with aspirations to become a good player this book is a must. Indeed anyone who doesn't learn from it is either a champion or a liar. Do yourself a favour and buy a copy, but guard it well. Too many of your friends will want to borrow it and you will never get it back - tell them to buy their own copyENGLISH BRIDGEHere in 448 pages are all the facts required to play bridge well in the English style. The print font is large and the paper of high quality. A total of 214 pages are devoted to bidding and 224 to play and defence. There is also a very useful indexFrom the PublisherNo other bridge book covers bidding and play in such comprehensive detail. Written by two of the leading names in bridge, this is a must for anyone with aspirations to become a good player.About the AuthorAlbert Dormer is one of the great names in bridge both as a player and as a writer. Ron Klinger is regarded by many as the world's leading bridge teacher and is an international player. He is the author of many very successful bridge books.
