The binding on mine came apart the first time I tried to use it, and three of those delicate little black tabs broke off. I "fixed" it with black electrical tape which now holds the book together. There is nothing wrong with the contents, but the book itself leaves something to be desired. 1 of 1 people found the following review helpful. Perfect for a Bach fan By Nicholas Briski Exactly what it claims to be. Good quality, and the binding helps it to be very useful.
