From G. Schirmer, Inc. : Bach - Violin Concertos: Schirmer's Library of Musical Classics, Vol. 2083 before purchasing it in order to gauge whether or not it would be worth my time, and all praised Bach - Violin Concertos: Schirmer's Library of Musical Classics, Vol. 2083:

6 of 9 people found the following review helpful. Don't buy this if you are a violin player By A.J. I have to admit that I was disappointed because of the following reasons: 1- The sheet music for concerto in D Minor for two violins, does not include violin II. 2- Although the title says "Bach Violin Concertos", but it is the piano sheet music that has a cover, and the violin sheet music is simply a leaflet. Overall, I don't recommend getting this version if you are a Violin player.

(String Solo). A collection of three concertos for the violin. Includes the A Major Concerto, BWV 1041; E Major Concerto, BWV 1042; Concerto for Two Violins in D minor, BWV 1043.
