Micky Flanagan : Back in the Game before purchasing it in order to gage whether or not it would be worth my time, and all praised Back in the Game:

British Comedy Awards 2011 nominee one of the hottest men in the British comedy world now, Micky tells a rollicking tale of a working class upbringing, where alphabetic spaghetti is a luxury and there was no olive oil in sight-imagine. This utterly brilliant recording includes fantastic stories and sketches such as an explanation of out-or out out, supermarket shopping and the art of pulling. Redbush Entertainment.
