Joe Edley : Banana-Grams! The Official Book, 575 Appealing Word Challenges That Will Drive You Bananas! before purchasing it in order to gage whether or not it would be worth my time, and all praised Banana-Grams! The Official Book, 575 Appealing Word Challenges That Will Drive You Bananas!:

15 of 15 people found the following review helpful. Love The Challenges, Hate The Fabrication By Colette Joe Edley and the creators of Banagrams need to sit down with the people at Workman Publishing and talk about the book binding. It is annoying to have the pages fall out of the book while you are sitting, say... in a doctor's waiting room or

standing in a line...pages flying everywhere. Then you have to manage how to hold the collected loose sheets. If you want the pages to be easily removable, use micro-perforations. Otherwise, please use a better binding system. I will not buy another book of challenges until you fix the binding problem. Too bad because the word challenges are very good and the game itself is great. 1 of 1 people found the following review helpful. FunBy K. T. YoungFun and challenging, and I so enjoy using those wonderful letter tiles. I enjoy solitaire games, and this offers good vocabulary building fun. 0 of 0 people found the following review helpful. GRAMMYBy AlexThis was a pretty fun book. My wife and I played this in the car while driving around all our honeymoon. There wasn't a plethora of games that you could play without looking at the book, but the ones that you could were fun for the driver at least! I would recommend this game if you want to take Bananagrams with you but don't want the tiles spilling all over your car.

Game of the Year winner at the 2009 International Toy Fair, Bananagrams is the international phenomenon that started with a simple idea: "An anagram game that is so fast it will drive you bananas!" Doing for letters what Sudoku did for numbers, it's the obsessive new puzzle craze that starts with 144 letter tiles in a banana-shaped bag and captures all the fun of crosswords and word games like Scrabble and Boggle. Now comes Bananagrams! The Official Book, which translates the brain-twisting word fun of the game onto the page, and adds much, much more. Even if you've never dipped your hand into the Bananagrams pouch, the book stands on its own with hours of challenging play. Written by the only three-time National Scrabble Champion, Joe Edley, Bananagrams! offers sixteen clever puzzle types, including Banana Trees, where the object is to build word grids based on a theme; Banana Splits, a collection of four quick anagram puzzles to be solved in rapid-fire style; Banana Leaves, with its four-, five-, six- and seven-letter words; Banana Fillingwhat happens when you add a "K"?; and more. The puzzles have four levels of difficulty, from one banana to four bananas. Plus, there are glossaries; special strategies for Bananagrams: The Game; a list of "Weords" weird words that are cool to play; two- and three-letter words to take your game to the next level; fun banana facts; and, of course, an answer key.

About the Author Abe Nathanson and his daughter, Rena, along with his grandchildren Aaron and Ava invented Bananagrams while spending the summer of 2005 together at a beach house in Narragansett, Rhode Island. The whole Nathanson family is involved in the growing game business. Rena and her family reside in the U.K., and Abe lives in Providence, Rhode Island, where he runs the company's headquarters.
