I was very happy to find the identical item at a reasonable price. It arrived quickly and was in very good condition.1 of 1 people found the following review helpful. Band Scoring by Joseph WagnerBy David MooreA textbook. One of the best books on how to score for the concert and marching band. I lost my copy years ago, and wanted another. This one, although used was in very good shape, and priced right. The section, "Reference chart of keyboard idioms and patterns," is outstanding. Too bad this book hasn't been re-issued.

441 pages - This thorough and comprehensive manual of band scoring is not only admirably suited for classroom teaching, but may be used for self-study as well...
