This book is built around an interesting idea, giving a page a short essay to 'firsts'. The first player to hit four- hundred, or the first player to win thirty- games in a season etc. There is a lot of baseball lore in this book much of which will be new even to the most dedicated of baseball fans.This is a book for baseball fans only but I am sure they will enjoy it.4 of 4 people found the following review helpful. A must for all baseball fans!By A CustomerThink you know everthing there is to know about baseball? You'll be surprised by the factoids uncovered. A must have reference guide for all baseball enthusiasts.

176 pages of fascinating baseball trivia. EXAMPLE: Who was the first player to be intentionally walked? Hmm?
