Ron Klinger : Basic Bridge (MASTER BRIDGE) before purchasing it in order to gage whether or not it would be worth my time, and all praised Basic Bridge (MASTER BRIDGE):

The word thing about every Klinger book is that the type is very small, there is almost no white space on pages, and can APPEAR to be very dense and unfriendly -- but the book is actually very friendly. Klinger is the best out there for the level at which he writes. Another must have for anyone aspiring to learn Acol.0 of 1 people found the following review helpful. ExcellentBy Raymond R. NixKlinger books are all good.

This is a definitive Acol textbook, equally valuable to rubber or duplicate bridge players. Set out as a course which can be used in conjunction with bridge classes or as a self-teacher, the book covers all the basic principles of bidding and play and is packed with exercises and quizzes on everything that has been taught. Recommended as the ideal textbook for learning the game, Basic Bridge will continue to be the standard beginner's guide to rubber and duplicate bridge for the foreseeable future. If you only ever buy one bridge book it has to be Basic Bridge.

... this is by far the best of the bunch. With the help of his co-authors, Klinger has produced a book in which the text is easy to follow, with many interesting play problems. No bridge teacher should be without Basic Bridge, which is excellent value with 160 large pages. Bridge Plus One of the best introductory books I have come across is Basic Bridge. I recommend it to beginners and teachers alike. The European Basic Bridge is the title of one of the best books for beginners I have seen. The Field About the Author Ron Klinger is a leading international bridge teacher and has represented Australia in over 20 world championships since 1976. An Australian Grand Master and a World Bridge Federation International Master, he has written over 60 books, some of which have been translated into Bulgarian, Chinese, Danish, French, Hebrew and Icelandic. Two of his titles - Guide to Better Card Play and Right Through the Pack Again - won Book of the Year awards. He has created many new bridge ideas and devised a number of conventions. He lives in NSW, Australia, and has written a daily bridge column in The Sydney Morning Herald and The Sun-Herald for over 15 years. Andrew Kambites is a bridge grand master, a leading bridge teacher and author, and lives in Stroud, Gloucestershire. He has written or co-authored over 20 bridge books. Andrew has written bridge articles for the EBU magazine, English Bridge, for 25 years. Andrew has been directing and running seminars for First for Bridge since retiring as a maths teacher in 1997.
