Five StarsBy AddictGreat book!1 of 1 people found the following review helpful. It's a great book for beginning guitaristsBy Sumi-eIt's a great book for beginning guitarists. Very well-organized and informative. Far better than some books I've come across before.

16 well-known pieces by one of the world's greatest composers arranged for guitar in standard music notation and TAB. The accompanying CD offers outstanding performances of each piece.
