Great samples of Bach's classics.0 of 0 people found the following review helpful. Bach for EveryoneBy Kindle CustomerWonderful book with cd. The cd certainly aids the student,be they young or older,in grasping the beauty of Bach.i I tend to use this book again and again in teaching and will recommend it to students for its clarity and explanation.

This wonderful collection includes 17 well-known pieces for piano by J. S. Bach. Interesting biographical information on the long and prolific life of Bach is included. Music includes selections from the Notebook for Anna Magdalena Bach, "When Thou Art Near," pieces from the Well-Tempered Clavier, Vol. 1, selections from the Two-Part Inventions, and more. Beautiful performances of every piece are included on the enclosed CD.
