If you love basketball and word searches, then this is the book for you! R.J. Foster and Richard B. Foster have taken the names of basketball stars and created word search puzzles from them. This book has 330 search words, and 33 different puzzles. These word searches are on thicker, stronger pages than most puzzle books. There is even a blank Notes Page to the left of each puzzle in case you would like to take notes to help solve the puzzle or simply write notes regarding any words that interest you. Enjoy!
