few interesting books on hand because one of our schools main goals is trying to get the kids to read! Bathroom Book of Oregon Trivia is just the kind of book they will devour. . . .On second thought; maybe I'll buy another copy for the bathroom.0 of 0 people found the following review helpful. Five StarsBy Loretta Reevesgood6 of 6 people found the following review helpful. So much to know about OregonBy petrarchslaurieThis is a fun and charming book that makes for great road reading. There are so many fun things to know, that although we live in Oregon and know a bit about our own state, we learned a lot! We have also given this book as a gift four or five times to visitors. We really enjoy it!

Enjoy this rich and entertaining collection of facts about the colorful people and places of Oregon. Read about the town that has a bluebird house in front of every home, the best place in the world to windsurf, the world's smallest official park, and the Oregon community where it's illegal to box with a kangaroo.
