David Knight : Battlefield 4 Collector's Edition: Prima Official Game Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised Battlefield 4 Collector's Edition: Prima Official Game Guide:

4 of 4 people found the following review helpful. Best book you can get offline for Battlefield 4!By CustomerEveryone knows that Prima is excellent in making these books and as an owner of the BF3 book, this one is even better.Quality and content: Highly detailed and well organized. Concise but mostly as verbose as what you can see in-Game. Not having to swap between five screens though is better. The beauty of the book is the ONLINE access it gives you, showing complete walkthroughs for the single player campaign, as well as the book data. As I said though this data is the same as what players can see from their main login Battlelog page.Cost: Expensive at MSRP get it as cheap as you can.Overall, I like having the stats and data in front of me when I need it. Knowing the maps for

the specific modes has always helped as it's easy to forget where you spawn sometimes. Also, please note that you get a free Gold Battlepack with purchase (GO to Prima and then get a code that you can use in ORIGIN.)Have fun and find me in-game as VARISIK1 of 1 people found the following review helpful. Pretty book, filler contents.By Fang QiaoThe only reason this review is 3 stars instead of 2 or 1 is because I purchased this Collector's guide at an amazing deal. There's really nothing said in this guide that you won't absolutely find out by playing the game for a few hours. The most useful portions are limited to the developer's comments regarding personal experiences, the use cases of all the gadgets and map specific strategies, which are rather what I expected of the vast majority of the material. Other than that, the book is filled with pretty pictures and over descriptions of game content.0 of 0 people found the following review helpful. Great guide!By Sirius11I left feedback for the Titanfall guide and this is the same. It's big, it's sturdy and covers everything you need to know about the game. Get the hardcover!! I cannot speak for the paperback's quality. I'm sure the contents are the same as they always are but the quality is usually very different, just like any paperback you buy.

Covers All Platforms including Xbox One and PlayStation 4 GEAR UP WITH GOLD- Receive a FREE gold Battlefield 4 Battlepack with this Collectors Edition Battlefield 4 guide. Gold Battlepacks have a higher chance of containing rarer combinations of random camos, dog tags, knives, XP boosts, and more! 2-Sided Dry Erase Map Cards- The top down view of all 10 maps can be marked up with critical notes using a dry-erase pen or flip it over for map specific advice from professional gamers. Behind-The-Scenes: "Since 1942"- An extra 32 pages of content featuring a QA with DICE, what's changed since 1942, and the making of Battlefield 4. BONUS eGuide with Instructional Videos and Updates- There's so much more online with sortable tables, interactive maps, instructional videos, and critical updates. Play Like A Pro- In the first few hours of gameplay we'll teach you how to be a hero and contribute to your team. Learn the best tactics to score points from respected professional gamers- StrongSide, Flamesword, Walshy, and Elumnite. Plan Your Attack- Knowing the maps is critical. The pros break down every control point, zone, key location for all modes and maps. Weapons and Vehicles- With more firepower than ever, we'll give best practices and strategies for weapon types, attachments, and vehicles. Reap the rewards- Unlock criteria for all ranks, classes, weapons, specializations, medals, ribbons, and dog tags.
