criminals to progress through the mission successfully. This guide helped explain the best way to use these techniques in each mission, plus it was very helpful in getting collectibles and achievements.0 of 0 people found the following review helpful. OK - not the greatestBy B.It's good, but not really needed if you have played a Battlefield game before. For a guide though, I thought it was well laid out and written.1 of 2 people found the following review helpful. the book is better than theBy CISCO\_Kidactually, the book is better than the game
