Sir Arthur Conan Doyle : BBC Presents: Sherlock Holmes: The Adventures of Sherlock Holmes Vols. 1-3 (BBC Radio Presents) before purchasing it in order to gage whether or not it would be worth my time, and all praised BBC Presents: Sherlock Holmes: The Adventures of Sherlock Holmes Vols. 1-3 (BBC Radio Presents):

0 of 0 people found the following review helpful. Quality BBC production of Sherlock Holmes dramas By Paul F.

BrooksI so enjoyed the BBC Radio - The Adventures of Sherlock Holmes - Volume 1 that I ordered another: Volume 3. The two audiocassettes contain 4 stories: "The Adventure of the Engineer's Thumb"- "The Adventure of the Noble Bachelor" - "The Adventure of Noble Bachelor" and "Adventure of the Copper Beeches".As with Vol. 1 I enraptured by the presentations and recommend these BBC productions to all Sherlock Holmes fans.

From 1939 to 1946 Americans listened to radio broadcasts of "The New Adventures of Sherlock Holmes"--featuring Basil Rathbone as the high strung crime-solver and Nigel Bruce as his phlegmatic assistant. Witty, fast-paced, and always surprising, these great radio plays feature perfect sound along with nostalgic war-time announcements, original narrations and radio commercials. Abridged.
