**Dan Gordon : Beat the Sports Books** before purchasing it in order to gage whether or not it would be worth my time, and all praised Beat the Sports Books:

0 of 0 people found the following review helpful. Outstanding Fundamental WorkBy Trace Fields Outstanding NFL handicapping book, Gordon's theories and underdog based outlook give players the best path to beating Old Man Vig in the NFL marketplace.0 of 0 people found the following review helpful. Great book, very in depthBy Shannon M This book tells you how to handicap NFL games. In order to properly handicap games, you have to do a lot of research and work. This book tells you how to do that. This book is for anyone, beginner or expert, who wants to put in

the time to research and study NFL games. If you don't want to spend a lot of time, don't buy this book. However if you are interested in really learning to handicap, this book is very detailed and thorough. 2 of 2 people found the following review helpful. sports book By Paul H. Neja Not too much here that most people do not already know. Sort of organizes and sorts out what would already be your thoughts

Dan Gordon, who is widely regarded as one of the three best football handicappers in the world, shares his inside tips and strategies on making big money betting on NFL football. Much of the information here is available nowhere else. More than 40 chapters cover basic, advanced and expert concepts that will give readers the most powerful winning information available anywhere. Readers learn how to set up betting models and use power ratings and how to separate performance from perception. Gordon shows how to beat the point spreads and money lines, and how to bet underdogs, propositions, teasers, parlays, futures, and much, much more.

About the Author Dan Gordon, widely regarded as one of the three best handicappers in the sports world, has served as the sports betting consultant for ESPN, NBC, Inside Sports Magazine and his betting columns have appeared in dozens of major papers including the New York Daily News, San Francisco Examiner, and Los Angeles Herald Examiner. He spends 16-18 hours a day in a small dark room watching games and crunching numbers on basketball and football during the betting seasons.
