From Brand: Music Sales America : Beginning Beethoven for Piano: Beginning Piano Series before purchasing it in order to gage whether or not it would be worth my time, and all praised Beginning Beethoven for Piano: Beginning Piano Series:

1 of 1 people found the following review helpful. Playing everyday because of this book.By Brianna Standish-salazarI am an adult beginning pianist, and I had been mostly working with sheet music that was for an advanced student, that was until my 2 year old ripped it to pieces on me. I bought this book with out much expectations and was pleased to find out that this book is just right for me and I am enjoying playing some of my favorite Beethoven pieces and it is less frustrating because they are made for a beginning student. I will buy more of these books of the other great composers that I admire if they make them.Side note: I took two beginning piano classes in collage as a music student over 10 years ago, I have not played much piano since but have kept up on reading sheet music and can read it well. This book was a perfect fit for me and I play piano every day now.0 of 0 people found the following review helpful.

Happy and thrilled! my son Loves this book. By Tess Eagleman My son is just happy and thrilled to have this book and leaning to play the songs. He is just 6 years old and has been taking piano lessons for 6 months when we bought this book. For those who loves Beethoven's classical composition, this might be a good start for you! 0 of 0 people found the following review helpful. Three Stars By Pegg It's fine, but I really only bought it for one song in it. I'll get to the rest later.

The music of Ludwig Van Beethoven has been required repertoire for every self-respecting pianist for over a century - now here's your chance to get your hands around those timeless melodies at an early stage. Some songs are presented in their original version, and others are specially arranged for easy piano. Includes such favorites as the themes from Sonata 'Pathetique', 'Moonlight' Sonata, Fr Elise and Ode To Joy.
