By jim connor
Andrea is a thoroughbred educator, musician and word-smith who unselfishly shares her experience and knowledge with all, novitiate or seasoned, who dare to follow the dream of music. A must read.

(Berklee Guide). Learn to write songs! This book presents the basic concepts of popular songwriting, such as song construction, creativity techniques, melodic and harmonic development, how to write memorable lyrics, and other core topics. Hands-on exercises make it practical, and the accompanying recording illustrates the concepts for those who don't yet read music.
