You need to have a minimum of Grade 5, Royal School of Music (uk), preferably higher, under your belt to handle this. I primarily play piano by ear even though I have classical training but this is very useful to help tease out tricky parts like solos that are hard to nail down, plus some crazy BF chords that really make the music true to Ben. It does have useful chord tabs for those who don't read musical notation. 0 of 0 people found the following review helpful.
