Five StarsBy LeRoy A.A favorite radio program. Enjoyable to hear again.0 of 1 people found the following review helpful. Four StarsBy Dianne L.The later programs are better.

Charlie cheerfully threatens, insults, and otherwise needles the elegant Edgar through 16 digitally remastered episodes - all of them from the 1950's, and seven of them never before available to the public. The aging, man-crazy mannequin Effie Clinker bends your ear (and her elbow) and modest Mortimer Snerd gives new meaning to the phrase ventriloquist's dummy. Meanwhile, music and performing legends Rosemary Clooney, Fred MacMurray, Jo Stafford, Peggy Lee, Liberace, David Niven, and Gordon MacRae, bring their melodies and their mischief to the program. Of course, The Mellow Men are on hand, and even Bergen sings! Includes a Program Guide by Derek Tague.
