Bridge Today Digest recently celebrated its first anniversary (and 100th issue) as an Internet-based 'bridgezine'. It is renowned for its practical advice, its wonderful bridge stories, and the wry humour and personal touch of its editors.

For this collection, they have selected the very best pieces from their first year, and come up with a compendium that every bridge player can read, enjoy, and learn from. It includes short pieces from world-renowned writers, questions and comments from readers (and the editors' responses to them!), and a wealth of fascinating hands, anecdotes and advice from the editors.
