Def Leppard : Best of Def Leppard (Guitar Recorded Versions) before purchasing it in order to gage whether or not it would be worth my time, and all praised Best of Def Leppard (Guitar Recorded Versions):

1 of 1 people found the following review helpful. it is not easy to use By redbus11 I should have purchased this as an actual book. I bought it as a kindle book, and after using it on my iPad, which I use for music playback while practicing, it is not easy to use. The notes are too small to see unless you zoom in, and that requires double tapping on the screen to see it, then you have to double tap again to shrink it back to normal size and turn the page, then zoom in again. Repeat, repeat, repeat. It gets to be too much hassle. A book would have been much more useful for reading music. 20 of 20 people found the following review helpful. The classics of Def leppard in Tab form. By Wiseguy945 This is the 16 song version of this book. I do believe their is a 21 or 22 song version available. This one contains all of the classics, music and tabed. If you like 80's rock, this book is the pinnacle, and a great piece for leppard

fans. 16 songs are: Animal, Armageddon It, Bringin' on the Heartbreak, Foolin', High 'N' Dry, Hysteria, Let's Get Rocked, Love Bites, Photograph, Pour Some Sugar on Me, Rock Brigade, Rock of Ages, Rock! Rock! Rocket, To Late For Love, Women. Great price new here at , hard to beat this in any retail store. Check it out. 1 of 1 people found the following review helpful. 80's rock sheet music at its best. By DJBI, am a beginner guitar learner. I love Def Leppard and aspire to be able to play their songs someday. This book has all their hits and it is set up nicely. While I can only play bits and pieces of the sheet music, it's great having it and all the words to sing along with. Gives me something to look forward to being able to play in the future. For anyone who is intermediate to an advanced player and who likes 80's rock, this is fantastic.

(Guitar Recorded Versions). 16 songs from these legendary rockers, including: Animal * Armageddon It * Bringin' on the Heartbreak * Hysteria * Love Bites * Photograph * Pour Some Sugar on Me * Rock of Ages * Women * and more.
