Dranguet I spent hours looking for a good Metallica score, or any for that matter! When I found this book on a different website, it only took me one look to know that this was a great score to own. had it for much cheaper. Bottom line is this: Metallica fans should have this book. 0 of 2 people found the following review helpful. Good, but warning NO TABULATURE! By crazyTERMINATR it is a very good and accurate book for guitar but watch out i thought it would include tabs but it doesnt just music. just as a heads up.

(Personality). For the first time ever, a collection of the astoundingly successful group's best songs arranged for piano/vocal! Includes: One * Nothing Else Matters * Welcome Home (Sanitarium) * Until It Sleeps * and more.
