Styx : Best of Styx before purchasing it in order to gage whether or not it would be worth my time, and all praised Best of Styx:

4 of 4 people found the following review helpful. Great music By RudyKI wanted to expand my selection of songs to play on my keyboard. The songs are written in an easy piano format which is what I need at this stage of learning the keyboard. Of course, the Styx songs, in themselves, are great! 0 of 0 people found the following review helpful. Five Stars By Robin Camisa Good 0 of 0 people found the following review helpful. Problems with size of page in app By K.

WheelerThe song selection is very good, but there is no ability to enlarge the pages so the notes can be read on the tablet (we are using a 12" Samsung Note tablet) within the reader app. We had to cast the app to a large wall-mounted monitor to see the notes.

(Piano/Vocal/Guitar Artist Songbook). Every fan of prog and arena rock should pick up this Styx book, which is a great collection of 23 of the band's best rockers and ballads.
