Richard Nichols, Michael Murray : Betting Baseball before purchasing it in order to gage whether or not it would be worth my time, and all praised Betting Baseball:

0 of 0 people found the following review helpful. Three StarsBy Mark HarrisonOK.3 of 4 people found the following review helpful. OutstandingBy Peter RoseMost gambling books suck, especially ones about sports betting. This is an exception. Great book, from showing beginners how to make their own line to being a good reference regarding park factors, umpires, and Las Vegas sportsbooks for more experienced gamblers.

Betting Baseball is the definitive source for sports bettors who gambling on baseball at sportsbooks.
