Word fill-in puzzles are similar to regular crosswords but instead of getting the answers from clues you get them from word lists. All the words needed to complete each puzzle are in groups according to word length. Your task is to fit the words into their correct place in the puzzle grid. There are many combinations but only one correct solution to get all the words to fit into each puzzle. You are started off with six letters already in place then you are given less and less letters as you work towards the last puzzle. It gets your brain working through deduction and trial and error while you

are having fun. The process is easy to learn but still challenging to all levels of puzzle enthusiasts. Each puzzle is on its own full page so the print is large and easy to read. Many Bible phrases, names and places will pop up in these puzzles so have your Bible handy. Solutions for all 50 puzzles are given in the back of the book.
