Puzzles are a comfortable size to read and are of moderate difficulty (nothing is worse than word searches so simple that you see all the words instantly and the puzzle is done in 5 minutes; these puzzles are just right). I love being able to read the complete text of the verses on the left side of the page in addition to working the puzzle. Both

"My sister and I have a prison ministry, and the puzzles are very beneficial for our newsletters that we send to various prisons around the country. We have a mailing list and the newsletters are well received. Our newsletters always have a theme, and we try to coordinate the puzzles with the theme of the newsletter we are sending. We want to reach the prisoners and let them know that God can still save and deliver them no matter what they have done. The puzzles get them into the Word of God without sounding too preachy." "I have a nursing home ministry and I use the word search puzzles for the residents that come to my Bible study class. They love them. I try to have a puzzle that is the same scripture as my lesson. Some of the ladies (especially women) have folders and keep all of them." "I use the puzzles inside the church bulletins in order for everyone to participate. The activity is organized by allowing the youth to complete the hidden word puzzles to see who completes it first. The value I see is that it makes them study the Bible more and bring questions to the Bible study class. Some are able to finish. It helps others to concentrate more on the Word. I use them at home and when riding in the car. I am an 81 year old Senior. The puzzles help to keep my mind sharp and current on what is taught by the Bible."
