Wordoku is similar to the Sudoku, but with letters instead of numbers. Each of the 60 puzzles has a clue at the bottom which helps to identify the nine letter word or phrase from the Bible that's used in the puzzle. The word or phrase appears spelled out somewhere in each puzzle either in a row or a column or diagonally. The Bible scripture that contains the word or phrase could be used as a starting point for a Bible study or as your daily Bible reading scripture. So you get the fun and challenge of solving the puzzle and the revealing of the secret word or phrase from the Bible. The puzzles range from easy to hard. The Bible scriptures used in these puzzles may very well open new and undiscovered parts of the Bible for you to explore so have your Bible handy.
