Radio Spirits : Bickersons before purchasing it in order to gage whether or not it would be worth my time, and all praised Bickersons:

3 of 5 people found the following review helpful. BickersonsBy Timothy LambA great collection of old-time radio. Good clean fun for the entire family to enjoy. My 7-year old loves it.0 of 1 people found the following review helpful. Four StarsBy Robert L. WebsterLove the content, but not the, excessive commercials.1 of 6 people found the following review helpful. BickersonsBy John S. CampbellAudio CD did not play other than the recorded lead in by the announcer which included a short commercial for the product sponsor. A total of 48 seconds of talk with none of the show itself at all. I used very possible way to play it on an audio CD and my Sony computer. It would not work except to repeat the same 48 second lead in over and over.

From AudioFileFor five years they fought, picked on each other, squabbled, and squawked. They were "The Bickersons," America's most famous radio couple of the 1940s, portrayed by Don Ameche and Frances Langford. This digitally remastered reissue of six episodes ably demonstrates why. Listening to Ameche and Langford work their way through the tightly written scripts makes you understand why listeners flocked to hear their scathing sessions. The premise is always the same. John is victim of "contagious insomnia," or "Schmoo's disease," and many plots center on his snoring. Then they fight about everything from relatives to sexy friend Gloria Gooseby. It's as funny today as it surely was 60 years ago. M.R.E. AudioFile 2006, Portland, Maine-- Copyright AudioFile, Portland, Maine
