SimmsThis book contains just about every popular Christmas song, and a few you've probably never heard of. I'm an adult beginning cellist with five months experience, and I think this book is great for beginning and intermediate students alike. It contains a variety of fun and recognizable songs that are relatively easy to learn, and this encourages me to practice. When I tire of playing one song I simply switch to another, and in this way I can practice for hours while enjoying myself the entire time.0 of 0 people found the following review helpful. Great for a

beginnerBy Victoria DeanGreat for a beginner. I am an intermediate and feel as if many of these songs are too easy and short. So many songs that I have never heard of but at least it includes all of my favorites.0 of 0 people found the following review helpful. Five StarsBy Crow5stars
