An amazing thing for the whole familyBy BKKITTWow, I'm an advanced violinist, and this book has all of my favorite Christmas songs I can easily fashion into a jolly concert for my family and friends! The music is great, along with a great quality material book. I absolutely love it, and I'm still playing it even after Christmas and New Year's!1 of 1 people found the following review helpful. Easy to UseBy susieQThe sheet music is clear and easy to follow. As a beginner violinist this book is wonderful, challenging but well within my range. I highly recommend to someone who is still in the early stages, but the music is good enough that I think I'll also use it when I get better. Worth every penny.13 of 13 people found the following review helpful. What a

great book!!By tuckertulbertI am a beginner on the violin and spend a lot of time now looking for music that I can play. This is a great book of Christmas music for the money. It is easy to read and has such a wide range of songs to choose from. Can you imagine a Christmas music book that has everything from "The Chipmunk Song" to "Oh Holy Night"? This was money well spent!
