There are plenty of songs I know so it makes it easy to know if I'm playing them correctly. The songs range all styles and tempos so it gives me plenty to choose from. Only been playing for a few months so still choosing slower tempos.1 of 1 people found the following review helpful. Great selection of songs to play!By Cowboy ToddGreat selection of songs. Wish it had backing tracks to play along with.0 of 0 people found the following review helpful. Full of of fun to play songsBy Brian in GrotonThis is a really nice book for beginner to intermediate players. I am an adult re-beginner and am more interested in non-classical music. I found about 8 out 10

songs to my liking and skill level.
