Baby ShowerBy Benny PhanThis would be perfect if you're planning to host a baby shower for a friend or maybe if you're in the business of doing baby showers yourself. After reading it (an easy read by the way), I was more or less confident that I could give hosting a baby shower for anyone a shot. The book contains information on icebreakers, a collection of more than 30 games for a successful baby shower and example door prizes that you could give out. The book says that 3 to 4 games are plenty for one party so you'll have a variety to choose from depending on your guests personalities and age, your budget, your party space and etc. You'll even find a few physical games listed. This book even has a sort of question and answer game that involves questions that a new parent might ask. It's a very clever and helpful book with easy games and creative ideas to share.2 of 2 people found the following review helpful. A Must Have Games Book If You're Giving a Baby ShowerBy Julia BuschOh my gosh, what a clever book! It not only gives you very entertaining games for great baby shower fun (like pinning the sperm on the ovary) to get your guests mingling and giggling at your baby shower, but the time savers for the mom-to-be, like having your guests write their names and addresses on two sets of envelopes on pre-purchased cards (one for thank you cards, one for birth announcements), placing them in separate bowls to use as a drawing for door prizes is totally brilliant. This is a MUST HAVE for a baby shower! It's LOADED with fun and practical ideas!1 of 1 people found the following review helpful. Big Bundle of Baby Shower GamesBy StephenThere are lots of great ideas for baby shower event in this book. Since I am going to be a Grandmother for the first time, this book helped with baby showers organizers, mom-to-be, and guests to have a wonderful and fun time together in celebration of coming baby. My other have says it was worth every penny, to buy this book.

9 categories of the most fun and interesting baby shower games to play at your party. These games are sure to spark humor and conversation while getting guests actively involved. No matter the amount of guests or the size of your budget, you are sure to find a bundle of fun for all.
