0 of 0 people found the following review helpful. love how it has all the levels on each page ...By Bernadette Mastromarcolove how it has all the levels on each page instead of sectionsits very large so i do one side when done flip the book and start over0 of 0 people found the following review helpful. Poor -NO- Division of skill levelsBy Marilyn SackheimDid not like the way this is not separated by skill level. I detest the way that I truly cannot progress in my sudoku completion because there is no way to know and I will never purchase a book like this again.0 of 0 people found the following review helpful. I wouldn't recommendBy Ex BritGood puzzles but instead of having them

sorted in sections, all the easy ones and then all the middling ones etc. there is one of each difficulty level on each page.
