Bill Evans, Brent Edstrom : Bill Evans - Jazz Piano Solos Series Volume 19 before purchasing it in order to gauge whether or not it would be worth my time, and all praised Bill Evans - Jazz Piano Solos Series Volume 19:

Twenty-four tunes for \$12 - you can't beat it with a stick. Here is your chance to sound like Bill without having to quit your job and study piano full time - if that would even work. Brent E. does a masterful job of arranging these tunes in the Bill Evans' style and yet they are quite accessible to players of modest technique. Brent E.: When are you going to do the same for Oscar P's canon? 2 of 2 people found the following review helpful. Pleasant Surprises By Scott H. Derrick This is a great collection of Bill Evans arrangements, beautifully written for the intermediate to better player. It has been rewarding to play some unfamiliar pieces and enjoy the pleasant surprises of beautifully sounding jazz works. If you play background music for social events or in public, this

is a must book to access a few pieces for your repertoire. I enjoy Alice in Wonderland, Autumn Leaves, and Letter to Evan to mention a few. I had not heard the Spartacus movie theme song for many years, but I found the arrangement beautiful and interesting to play. I highly recommend this book and all of the others in this Hal Leonard series. 2 of 2 people found the following review helpful. A Great Set List of Bill Evans - But No "Waltz For Debby" By Carl Christensen This is a pretty great set of Bill Evans standards, and fits in well with the excellent "Hal Leonard Jazz Piano" series -- but somehow they left out "Waltz for Debby" which is probably THE signature Bill Evans piece. I wasn't expecting a full exact transcription but a few pages of his "#1 hit" would have been nice and completed the book.

24 essential Evans standards arranged for piano solo, including: Alice in Wonderland Autumn Leaves But Beautiful Everything Happens to Me Here's That Rainy Day How Deep Is the Ocean (How High Is the Sky) In a Sentimental Mood My Foolish Heart Night and Day Some Day My Prince Will Come Suicide Is Painless (Song from M*A*S*H) Witchcraft and more.
