And this is a very short , anti climactic and soon over, story.I just didn't care for it myself, but a fan of the book may have more appreciation for it.0 of 0 people found the following review helpful. Billy Budd, I did not knowBy PhoenixWell done. I did not expect the ending.0 of 0 people found the following review helpful. Five StarsBy I. BiggansI had heard both stories before and bought these as a gift.

Listeners will be captivated by this moving tale of good versus evil through the life of winsome young sailor Billy Budd. Aboard a 1700s British warship, virtuous Billy is unfairly accused of treason by the villainous Master of Arms a cold-blooded superior officer intent on Billy's destruction. Adapted from Herman Melville's famous novel and presented by Focus on the Family's Peabody Awardwinning Radio Theatre team, Billy Budd will remind listeners of another man, perfectly just, who suffered and died a criminal's death.
