Doug Walsh, BradyGames : BioShock Infinite Signature Series Guide (Signature Series Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised BioShock Infinite Signature Series Guide (Signature Series Guides):

11 of 11 people found the following review helpful. Definitely worth buyingBy BoriasBrady Guides are generally good anyway, but this one is especially great. The walkthrough is essentially spoiler free, and you can really pinpoint what you need to know if it's a detail ("Which of these infusions should I probably buy?"). But even if you don't want

hints, it's well worth the money for the presentation of weapons and vigors. Much better than the little booklet that comes with the game. Finally, this thing is GORGEOUS - incredibly high production values. Heavy glossy paper, good printing, fabulous illustrations. The layout makes it easy to use. You'll learn some stuff about the world of Columbia you would not learn otherwise. I was going to just browse when it came in, and ended up reading for a couple of hours. What can I say, your path is clear: get your hands on this one. 1 of 1 people found the following review helpful. beautiful but flawed By Audrey Frances There are several different reasons you might want to buy a strategy guide. If you love the game and want to have a good quality book that loves it too, and wants to show you gorgeous artwork, you should definitely buy this book. If you want a walkthrough with some strategy and ideas about more advanced use of vigors and weapons, and maybe some maps (since there are none in the game!), then you should buy this book. If, however, you want a step-by-step walkthrough with pinpoint accuracy and the delineation of every item for every trophy, this is probably not enough for you, and you'd be better served using an online walkthrough. The pictures are beautiful, and every segment of the game is addressed, but reviewers seem to agree that not all objects are listed, nor is information given about chronology. There is good information here about weaponry and damage, etc. but this isn't meaty enough for a hardcore player. 1 of 1 people found the following review helpful. Great maps and walkthrough. By Sean K. Conroy Great maps, great walkthrough, I tried a lesser guide, but always come back to BradyGames. It might cost more than another one out there, but well worth the investment. Shows and describes where to find items, plus has comparisons of weapons and items, power combos, but does not give away the fantastic ending.

Foreword by the Creative Director and Co-Founder of Irrational Games, Ken Levine. A DARING RESCUE MISSION IN A FLOATING CITY. The year is 1912. Former Pinkerton agent Booker DeWitt is sent to the flying city of Columbia on a rescue mission. His target? Elizabeth, a young woman who has been imprisoned on the floating city since childhood. To escape, they must test their mettle and abilities against the extremist factions of a fractured and crumbling utopia. THE MISSION OF BOOKER DEWITT Researched on site at Irrational Games, our in-depth walkthrough guides you through every step of the game and highlights every collectible item. The walkthrough is written in a spoiler-free format that alerts the reader of choices in the story and leaves the outcomes to be discovered. ILLUSTRATED MAPS Our illustrated maps call out every pertinent item in the floating city of Columbia. Learn the location of every Vigor, vending machine, and static piece of Gear for 100% completion. THE ENEMIES OF THE PEOPLE Expert strategies and tactics for dealing with the denizens of Columbia. Learn the strengths and weaknesses of every heavy hitter so you can dispatch them when the need arises. THE GUNS OF LIBERTY Detailed data and information for all of the arms and armament of BioShock Infinite. Learn the best uses for every gun and Vigor in this dangerous world. AND MUCH, MUCH MORE! Special supplementary information by the Irrational Games staff, strategies for unlocking every Achievement and Trophy, transcriptions of every Voxophone, and a vast collection of images you won't find anywhere else!

About the Author BradyGames, an imprint of DK and a division of Penguin Random House Inc., is the world's leading publisher of strategy content for PC and console video games.
