With a yah boo sucks to you, Fritzy, hot tiddly tumble, it's off to the Western Front in 1917. Captain Blackadder, hero of Mbot Gorge, joined the British Army when it was little more than a travel agency for gentlemen with an abnormally high sex drive. Now he finds himself crammed into a sewer, twenty yards from a lot of heavily armed people who want to kill him. Worse still, he takes his orders from two homicidal maniacs, one who called the Charge of the Light Brigade 'a victory for common sense' and the other called Darling. Ever ready with a cunning plan, Blackadder actively avoids duty by taking up art, shooting the General's favourite bird, probing the hospital nurse and learning to fly. But will his attempts to push off be enough when the Big Push comes? Rowan Atkinson stars as Captain Blackadder in Richard Curtis and Ben Elton's award-winning comedy. This collection includes the following episodes: 'Captain Cook', 'Corporal Punishment', 'Major Star', 'Private Plane', 'General Hospital' and 'Goodbye'. 3 CDs. 2 hrs 52 mins.
