Ben Elton, Richard Curtis : Blackadder's Christmas Carol (BBC Radio Collection) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Blackadder's Christmas Carol (BBC Radio Collection):

0 of 0 people found the following review helpful. Blackadder is Iconic By Diane H An iconic British comedy from the 80s, Blackadder features such names as Rowan Atkinson, Richard Curtis, Stephen Fry and Hugh Laurie. Each series is tremendously funny, as is this audio version, though the audio loses some of the zaniness of the video.

Dickens' classic tale of kindness, truth and virtue is completely ruined by having a member of the Blackadder family involved. Ebenezer Blackadder is a decent, kind and generous human being - until he receives a visit from the Spirit of Christmas who shows him famous Blackadders from the Elizabethan and Regency period, along with his Space Age descendent who becomes Ruler of the Universe. Stuffed with deeply horrible people, and groaning with cartloads of seasonal bottom jokes, Blackadder's Christmas Carol manages to squeeze everything into a huge pie of entertainment which will satisfy everyone. And for second helpings, The Cavalier Years is set during the Civil War, in which Lord Edmund Blackadder tries to remain faithful to King Charles despite the fact that he's about to have his head cut off by bottom-breath Baldrick. 1 CD. 1 hr 1 min.
