Mark Evans : Bleak Expectations: The Complete Second Series (Bleak Expectations Complete Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Bleak Expectations: The Complete Second Series (Bleak Expectations Complete Series):

Join Anthony Head, Richard Johnson, Geoffrey Whitehead, Tom Allen, Sarah Hadland and David Mitchell in the second volume of this magnificent Dickensian comic epic first transmitted by the British Broadcasting Clubs Radio 4. Volume two of Bleak Expectations follows Pip Bin as he ventures through Victorian Britain in constant battle with his evil and badly named ex-guardian Mr Gently Benevolent. On the way he builds a national railway network, blows up parliament, joins an East End gang, smokes a lot of opium, gets married twice and takes on the might of the Martian army. Revel in the many fine quips, characters and scenarios in these six glorious episodes written by Mr. Mark Evans and produced by Mr. Gareth Edwards, previously renowned for their craftsmanship on the works of Messrs. Mitchell and Webb. Televised as 'The Bleak Old Shop of Stuff' on the BBC. 'enough one-liners to stock an entire series of most sitcoms... the comedy show of the year' Times. 3 CDs. 2hrs 48 mins.

"Oh deep, deep joy. Mark Evans's comic homage to Dickens and 19th-century literature is back for a second volume."
Frances Lass, Radio Times
