Johnnie Vinson : Bolero before purchasing it in order to gage whether or not it would be worth my time, and all praised Bolero:

6 of 6 people found the following review helpful. I concurBy readergI must concur with the other two reviewers - this is not Ravel's original score but rather Ted Ricketts' arrangement for string orchestra, piano and percussion. I must admit I was a little disappointed when it arrived, but I have since checked all over the Internet and cannot find a copy of Ravel's original score anywhere, so I suspect it may be unavailable.For the time, this will do, but it would be lovely to find a copy of the original Bolero for orchestra.
