From Brand: Boosey Hawkes : Boston Concerto: Full Score Archive Edition before purchasing it in order to gauge whether or not it would be worth my time, and all praised Boston Concerto: Full Score Archive Edition:

1 of 1 people found the following review helpful. Important score in a useful format By Stephen Hicken This score is easy to read and study. Lays flat, which is great. Good engraving job. Oh, and a great exemplar of the composer's late late style.
