Beautiful Edition! By P.G. I'm surprised that Dover published such a stunning edition. The type is clear and easy to read and the paper is beautiful. For not much money, you get something that almost vies with the quality of a Henle Urtext. There isn't any fingering, however, and that

could be a good or a bad thing. 0 of 0 people found the following review helpful. Excellent condition. All I expected and more. By Ivan Mills Excellent condition. All I expected and more.

The most ambitious in scale of Brahms's pieces for piano solo, the sonatas and variations, are contained complete within this volume: the three beautifully lyrical Sonatas in C Major, F-sharp Minor and F Minor, and the five sets of Variations: on a theme by Schumann, F-sharp Minor; on an Original Theme, D Major; on a Hungarian Song, D Major; Variations and Fugue on a Theme by Handel, B-flat Major; and Variations on a Theme by Paganini, A Minor.
