From Alfred Publishing : Brahms -- Selected Works (Alfred Masterwork Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Brahms -- Selected Works (Alfred Masterwork Edition):

Compiled primarily for intermediate students, this collection contains an appealing selection of 15 works by Brahms. Included is an intriguing history of the composer's life, education and gift as a composer. In addition to a discussion on Brahms' style of composition, performance suggestions are included. Editorial markings have been added for pedaling

and fingering.
