The cd has the piano accompaniment by itself and also with an excellent clarinetist performing the solos. The combination of performer as well as accompaniment only has proven to be a valuable practice aid and saves time with the accompanist. Sheet music is clear and nicely printed.

(Music Minus One). Performed by Jerome Bunke, clarinet Accompaniment: Hidemitsu Hayashi, piano Favorites of clarinetists and pinnacles of the repertoire, these two sonatas are always popular on recital programs everywhere. Hear

the piece performed by American virtuoso Jerome Bunke, then you play them again with his accompanist. Presented here in the original key with printed parts for B-flat clarinets, this 2-CD set includes complete reference performance, piano accompaniments, plus a slow-tempo practice version of the accompaniments to help you as you learn the piece! Includes an expansive, newly engraved music score for B-flat clarinet, printed on high-quality ivory paper; and two compact discs containing a complete version with soloist, in digitally remastered stereo; then a second version in digitally remastered stereo of the accompaniment, minus the soloist; plus a -20% slow-tempo version for practice purposes.
