The National Puzzlers' League is intriguing and with a New Yorker slant not found in Daily's. I wish the print were a little larger or different typeface to make it easier on the eyes. Overall it's great! 0 of 0 people found the

following review helpful. I am a lifelong puzzle fanatic and I love cryptograms. Puzzle content is greatBy Elaine C. CantalupoI am a lifelong puzzle fanatic and I love cryptograms. Puzzle content is great, but the size of the pages do not suit me.I find it hard to hold the books open and write with my arthritic fingers and prefer books of larger sizes. If the printers wouldmake the puzzle books as large of most crossword puzzle books. One thing I like very much is the ability to order thesebooks on line and have had good success with shipping. Think about printing larger size books and of course I will keep buying.Thanks.0 of 0 people found the following review helpful.
