Smarter Activity Books : Brain Games! - Math Puzzle Books for Adults - Triangle Edition 3 before purchasing it in order to gauge whether or not it would be worth my time, and all praised Brain Games! - Math Puzzle Books for Adults - Triangle Edition 3:

There's a domino effect to this game and that's what makes this a beautiful companion when you want to take your mind off other things. You see, when you commit an error, the rest of your answers will be wrong as well. And when that happens, you'll have to redo everything. Get it right the first time. Focus. Answer. Now.
