Print a little small.0 of 0 people found the following review helpful. Elderly friend loved itBy DorothyBought this as a Christmas gift for an elderly friend. She loved it so the smile on her face was rewarding.

Brain Games: Word Search is for those who enjoy searching letter grids for hidden words. The compact-size book contains more than 80 word-search puzzles of various themes, including geography, movies and sports. Each puzzle is labeled with a difficulty level (easy, medium, hard, difficult, or expert). Solutions for the word searches are located at the back of the book. Brain Games: Word Search, part of the popular Brain Games puzzle series, is designed to sharpen your brain's language abilities. These word-search puzzles will help you enhance the following cognitive functions: Attention Creative thinking General knowledge Language Problem solving Visual search Brain Games: Word Search measures just 5x7 inches and fits easily into a purse or briefcase. The spiral binding allows the book to lay flat for a solid puzzle-working surface. The Brain Games series was developed to help people increase their memory, sharpen their reasoning, and expand their creative thinking. Solving puzzles and other mental challenges can provide a vigorous mental workout for people of all ages.
